

## **Norm Hansen Biography**

Norm Hansen is a cum laude graduate of The Ohio State University, and a graduate of the University of Windsor. He has spent his years since graduating teaching, growing cut flowers, and most recently, growing organic greenhouse vegetables. He is the Director of Research and Development for Erieview Acres, and it is here that Norm likes to pontificate about the benefits of organics. Erieview Acres is the premier Leamington area grower of certified organic greenhouse vegetables. Currently they grow in 19 acres of greenhouses at 3 locations. Erieview Acres has collaborated with the Harrow Research Centre, the Vineland Research Center, the University of Guelph, and the University of Windsor on various research projects. Norm and the rest of the team at Erieview Acres are passionate about growing organic vegetables.
