The Receiving Party acknowledges that a breach or threatened breach by the Receiving Party of any of the provisions in this Section would cause the Disclosing Party irreparable harm not compensable in damages alone. The Receiving Party further acknowledges that it is essential to the effective enforcement of the Agreement that in addition to any other remedies to which the Disclosing Party may be entitled, the Disclosing Party be entitled to seek and obtain, in a summary manner, interim, interlocutory and permanent injunctive relief without showing irreparable harm, specific performance and other equitable remedies.
