

## **Mr. Wade Murphy Biography**

Mr. Murphy is a Facility Supervisor in the Marine Institute (since 1990). Mr. Murphy leads the procurement, modification and installation of processing equipment. He has worked on a variety of chitin extraction projects since the 90's and has played an integral role in the process development during 2012-2014. He is familiar with every detail of the developed process and will assist intermediate-scale extractions as well as oversee material and equipment procurement, plant operations and coordinate equipment maintenance and repair.
