

Jim Chaput

Jim Chaput is the Minor Use Co-ordinator for the Ontario Ministry of Agriculture, Food and Rural Affairs. As provincial minor use coordinator since 2001, Jim is responsible for coordinating minor use submissions, provincial minor use priority-setting and acting as provincial liaison between Ontario's specialty crops industries and key minor use stakeholders nationally and internationally.

Jim is past chairperson of the National Minor Use Working Group, a member of the NAFTA Technical Working Group on Pesticides, a member of the Global Minor Use Priority-setting meeting committee and an active member of the Scientific Technical Committee of the AAFC-Pest Management Centre.
